President's Report: Mark Gingrich

- Discussion of the club's Stroke Play golf tournament:
 - Decision was made that ALL players will compete for the club's GROSS SCORE championship.
 - The first 3 tournament scores will be used to determine Final Stroke Play Tournament GROSS SCORE results.
 - The lowest GROSS score will be the Club Champion.
 - All Pebblebrook Men's Club members playing will be eligible to compete for LOW NET SCORE:
 - The rankings will continue be determined based upon the BEST 3 rounds played over the 5 week period.
 - As handicaps change over the course of the 5 week period, players may be moved to different flights.
- Discussed slow play in the afternoon flight:
 - Pace of play is not the issue. Rather, it's too many players playing in the PM flight.
 - We may need to eliminate A/B foursomes on Par 3's, thus reducing foursomes from 36 to 32 teams.
 - Players moved to the morning flight would be given afternoon priority during future weekly play.
