Message from the LWMGC President

A reminder to all members to call the pro shop at (949) 597-4336 and register a credit card that will be linked to your Laguna Woods ID number. Please go to our website, lwmgc.org to see the latest golf guidelines. This is a must read for all members. The new guideline is dated May 16th. Remember if you need to cancel your tee time you need to do it the day before. The only reason you need to go to the starter window is to rent a cart.

The board meeting held in July was done via teleconferencing. The board meeting minutes will be published and posted online.

The following was sent to all club presidents from Marcy Sheinwold, president of The Foundation of Laguna Woods Village:

The Covid-19 pandemic has changed life in Laguna Woods Village. The pandemic has upended many Village activities and added additional concerns such as the risk of infection, food insecurity and social isolation.

The Foundation of Laguna Woods Village is trying to meet the challenges presented by the pandemic. We distributed masks early on and have set up a special "pandemic food fund" at Social Services to ensure no resident goes without food.

But we need your help now. We are in this together. First, are there any issues that you know residents are experiencing and that you think the Foundation can help with or provide a solution? Please let us know at thefoundation@comline.com or 949-268-2246. Thank you! We depend on your input to help the Village.

Second, if there are people whom you think are becoming more isolated or "food insecure," please contact Social Services at 949-597-4267 to have them do a telephone wellness check. The Foundation will then be able to help those identified as in need.

Finally, if your club can make a donation to the Foundation that would help the Foundation continue providing essential services during these difficult times. As you know, the Foundation only helps Village residents, and while the pandemic has stopped many activities, the need for emergency financial assistance has not stopped. Please send donations to the Foundation of Laguna Woods Village, P.O.

Box 3279, Laguna Hills, CA 92654.

Thank you in advance for your support. Together we can make a difference. Please do not hesitate to contact me at thefoundation@comline.com. I look forward to hearing from you.

Marcy Sheinwold, Foundation President

Let's support Marcy however you can. You can also make a contribution by sending a check to the board at the following address "Laguna Woods Men's Golf Club, P.O. Box 2040 Laguna Hills, Ca 92654-2040". Please make the check to The Foundation of Laguna Woods Village. They gladly accept any and all contributions.

The President's Cup, flight competitions, new member orientation, putting contest and the derby are all postponed. The board will reschedule these events as soon as the present restrictions are lifted. All regular Wednesday tournaments will continue throughout August as open play (non-competitive).

The handicap chairman reminds all members, to check when your renewal date is, go to our website, click on the green Handicap button and then click on the blue Renewals button . Any further questions should be directed to our handicap chairman, Paul Santoro, at pjsantoro527@gmail.com. Also, remember you are required to post all your rounds.

We are looking for volunteers to serve on the board starting next year for a 3 year term. Please contact Bob Napack, at bobnapack@napackdesign.com if you are interested. What keeps this club going is the unselfishness of members to volunteer their time to meet the needs of the club and the golfing community. The board is grateful for the many volunteers that help us year long. Remember, it is your chance of giving back to the community and the sport you so enjoy.

Go to our website, lwmgc.org, for any new updates that affect our club and the golfing facilities. Remember that the 19th restaurant is open for dine-in on the outside patio and let's keep supporting Tony and his crew.

Take care of yourself and your loved ones. Be safe and smart. Looking forward to seeing familiar faces on the course.

John Soule – President
