Laguna Woods, CA 92637

Dear Don:

On behalf of the Foundation of Laguna Woods Village, I am contacting you for two reasons. First, we want to thank the Men's Golf Club for their extraordinary contribution to the Foundation. The Men's Golf Club fundraising at the recent golf outing exceeded all expectations, and it will go a long way to ensuring that a safety net stays in place for the needier residents in the Village. The funds raised that day will continue funding for meals on wheels, adult day care services, and financial assistance when a crisis hits a resident. The members of the Men's Golf Club have a great deal to be proud of, and we appreciate all of their assistance.

Second, we wanted to share our feelings of loss at the passing of Bill Blaine. We will always remember his big smile and his even bigger heart. Please accept our sincere sympathies for a true loss to the community.

We look forward to working with you again in the future and wish all of your members good health.

Sincerely yours,

Marcy Sheinwold, J.D., President
