

1st Annual “Men’s Club Shootout”

Men’s Club – Gross and Net Shootouts

- There will be a **\$20 event fee** for **both** the **GROSS** and **NET** Men’s Club Shootout.
 - Cash payouts for each of Gross & Net are as follows: The winner will collect \$135! Runner-up will receive \$90, 3rd \$75, 4th \$50, 5th \$30, & 6th \$20. *(These numbers are based on full 10 player field and supplemented with \$200 from Men’s Club prize fund)*
 - Both Champions will earn entry into next year’s Men’s Club Shootout.
 - Should either be out of the top 10, 11 players will tee off 1 and two players eliminated on 1st hole.
- The Men’s Club Shootout works like this:
 - Ten players will tee off the first hole (both fields will play from blue tees)
 - The player with the highest Gross/NET score on hole 1 will be eliminated from the Men’s Club Shootout. We continue this through all 9 holes until we have one player standing. That player will be the Men’s Club Shootout Champions.
 - In the event of a tie for lowest score on any hole, there will be a shoot-out with the tied players.
 - The tied players will hit a shot around the green at a previously determined location.
 - You can place your ball within one club length anywhere of the proxy stake
 - The player that finishes furthest from the hole is eliminated
 - Players that survive the first hole will move on to the second hole repeating the sequence until we have one lone player in each shootout standing on the 9th green and those players are declared the Men’s Club Shootout Champions.
- **Any player can play “ready golf” at any time except while in the shoot-out**
- **ADVICE – It is not to be given or taken by any player. If a player is eliminated, they are not allowed to give advice to remaining players. Any player receiving advice could be penalized.**

The following is the order of play both off the tee and in any shoot-outs:
