

Senior Golf Association

In 1982 the Senior Golf Association (SGA) was formed by a small group of golfers who recognized a need to set up a series of tournaments to provide local senior golfers the opportunities to meet in friendly competition and build new and lasting relationships.

As a result, hundreds of senior golfers have taken advantage of these opportunities and have truly enjoyed their experiences of competitive tournament golf and even met new golfing buddies to play with regularly.

TESTIMONIALS

- *I enjoy the spirit of playing golf with people of my own age and skill in a tournament format. Being a part of the SGA is a great experience that offers flexible schedules..... Bob Webster*
- *Playing different golf courses is a lot of fun. When competing with a large number of players it is really satisfying to win..... Bob Kuklo*

WHO WE ARE

- The SGA is not a league, but consists of individual Tournaments plus an Outing.
- We are a distinguished group of senior golfers who play golf for fun, companionship, relaxation, and friendly competition.
- You must be at least 55 years old to join and play in your first tournament.
- We encourage players to meet new people through the golfing experience.
- We normally play Tournaments every other Monday morning from early May through mid-September.
- The SGA negotiates with each Golf Course to get the best rates for each tournament to keep the cost to our members low.
- The SGA offers a variety of Tournament formats including Individual, 2-man team and 4-man team tournaments.

- The SGA Tournaments are held at many of the local golf courses.
- All SGA Tournaments are operated and regulated by volunteer SGA members.

QUESTIONS

- *I don't want to be committed to playing golf every week.*

As an SGA member, you may select to play just 1 or 2 tournaments or all of the tournaments, the choice is yours and you make the decision before each tournament, so they are easy to fit around your schedule.

Each Tournament stands on its own with both cash and gift prizes awarded to the winners for each level of play.

- *Do I need a partner to play in an SGA tournament? NO!*

If you have a partner, then bring him along, if not, we will hook you up with a new partner for every tournament.

- *I'm not good enough to play in the SGA.*

That is definitely NOT TRUE!

- To maintain fair completion and enjoyment for all of our members the SGA is organized into **four different Handicap Flights** so each member will compete against players with similar Handicaps within their respective Flight
- *Are there any additional benefits to belonging to the SGA? Absolutely!*
