

2017 ABCD Scramble Tournament Rules

FORMAT: 4 Man Scramble, with computer selected teams with handicap. The team handicap is based on the combined total of 20% of the "A" player handicap, 15% of "B", 10% of "C", and 5% of "D".

TEES: The "A" player tees off from the bronze tees; "B", "C" & "D" players tee off from the gold tees.

Exception: The D Player will play black tees on the #1-9 handicap holes; 1, 4, 5, 6, 7, 12, 13, 14 18

RULES: USGA rules apply except as modified by WMGC.

1. You may rake and place in bunkers in the scramble format.

2. All four team members will hit a tee shot. Select the shot to be used and all four hit from the spot. This process is repeated until the ball is holed out. EACH PLAYER PLACES HIS BALL WITHIN 12 INCHES (NO CLOSER TO THE HOLE) THROUGH THE GREEN. Do not use the 12-inch placement to move out of rough, hazards, bunkers or to move a ball position from the fringe to the putting surface! THE BALL IS PLAYED AS IT LIES ON THE GREEN.

WARNING: The hole is completed once a ball is holed out -- DON'T TAP IN PUTTS UNTIL ALL HAVE PUTTED!

3. A team with only 3 players will be disqualified from the Calcutta only. They will still be eligible for place money and the closest to the pin contests. All Calcutta money will be returned. In case of no-shows, the missing player's shot is taken by the next higher handicapped team member (as well as his own): i.e. if the

"C" player is missing, the "D" player hits twice each time. If the "D" player is missing, then "C" hit twice only on the even holes and no make-up shots on odd holes.

4. **Each player must provide three tee shots.** Enter your team score on the row of the A player. Mark your scorecard as to which player's tee shot was used on each hole. Failure to do so is automatic disqualification. If you only have three players the tee shots will be as follows: If the "A" player is missing, the "B" player is required to contribute six tee shots, and the other players must contribute three tee shots each. If the "B" player is missing, the "C" player is required to contribute six tee shots, and the other players must contribute three tee shots each. If the "C" player is missing, the "D" player must contribute five tee shots, the "B" player must contribute four tee shots and the "A" player must contribute three tee shots. If the "D" player is missing, the "C" player must contribute five tee shots (since he will only get extra swings on the even holes) and the others three tee shots each.

5. Please use carts to shag balls.

PRIZES: About 25% of the field will receive gift certificates in addition to the Calcutta payout for the top teams, which will be dependent on the number of teams.

CLOSEST TO THE PIN (individual): Holes #2, 9, 11 & 14 -- \$25 cash

SKINS: \$20 PER TEAM – Net skins entry is included in the tournament fee.

PACE OF PLAY: Keep up with the group in front of yours. All "A" players are tournament marshals and will apply this rule! The 16 minute penalty rule will not be applied for this event. However, as soon as your team has completed your final hole return to the club house.
