- MATCH:** Net Match Handicaps will be established by wheeling off the low man in the match. For example: in a match with net handicaps of 4, 7, 10 and 15, the player with a 4-handicap will receive (0) strokes, the 7-handicap (3) strokes, the 10-handicap (6) strokes and the 15-handicap will receive (11) strokes on the lowest course handicap holes.
- PAYOUT:** Prize money will be awarded to the top four finishers in each flight.
- SCORING:** Use both first and last names on the scorecard. **Important: Once the match is decided – stop recording scores on the scorecard. Example: If the match ends on hole 15, no scores are posted on holes 16, 17, 18.** Handicap chairman will enter the scores on those holes after the match is over using the USGA system to finish scoring. All scorecards must be signed, attested, dated and left in the WMGC envelope tacked to the bulletin board near the GHIN computer.
- POSTING:** DO NOT post match play scores in the handicap computer. Handicap chairman will post all match play scores. You cannot advance to the next round of match play until your previous match has been officially recorded. Failure to comply with these scoring rules may result in disqualification.
