LOWER YOUR SCORES THIS SUMMER PRACTICE WITH A PURPOSE

Offering Fun and Informative Individual
and Group Player Development
Experiences for Everyone

- 1. DEVELOPING CONSISTENCY:** Getting to the green in fewer shots is key. A complete full-swing and pre-swing analysis will be performed. A focus for improvement will be identified.
- 2. PUTTING MADE SIMPLE:** The art and science of getting the ball in the hole. Stroke mechanics, distance and direction control, along with an understanding of slope and green reading will be covered.
- 3. SIMPLE SHOTS AROUND THE GREEN:** Saving strokes one shot at a time. Chipping, pitching and sand play will be the focus of this experience. Learn technique and distance control for each type of shot.
- 4. TROUBLE SHOTS:** How the dickens did I get here and now what do I do? Whether it is long grass, hitting from under a tree, keeping the ball low or uneven lies we want you to learn how to do it all.
- 5. LEARNING TO SCORE:** The better decisions you make, the fewer decisions you'll have to make. Enjoy the walk and learn to save strokes along the way. Develop a strategy for each hole for each round.
- 6. MIND BODY & BREATHING:** Where you direct your mind your body will follow. Was that really where you wanted your ball to go? Learn to relax and perform your best with intention and focus.
