CORRECT FOOTWARE FOR ANGC COURSE PLAY

Dear golfing members and guests, please adhere to the golfing attire required to play golf at ANGC recreational facility.

Our sweeps spend many hours preparing the greens and to prevent damage to recreational property please simply wear the correct foot ware shown below in the examples:

Correct Footware Type

Flat Sole with minimal tread ([Minimal impact on the putting surfaces](#))

Incorrect Foot ware type

Two part soles and/or soles with deep treads ([Damages the putting surfaces](#))
